Nelson - "no (committee) activities at the present time"
"The motivating motive" in destruction of Hoover note
"In exchange" "I'll open" read "which could have led the FBI to investigate"
Folder - fabrication - dated
Unsorted etc. many other interesting reports? Open to Rankell.
Carlucci - "We have 23 different (filing) systems that we have to search through for Freedom of information act requests"
Beginning Tape 4, Side 1.
Why are these separate files to be searched under FOIA? Or different files for FOIA response?
